

1 See how many different shapes of leaves you can find. Take pictures if you have a camera.

2 Listen to the birds. How many different bird calls can you hear? Hear the birds chirping to each other?

1 Explore a new playground. Does the park you are in have a playground? If so check it out with your family!

4 Do an alphabet scavenger hunt and find things that begin with each letter of the alphabet.
A = acorn,
B = bug

3 See if there is a guided or self-guided tour you can take of the park.

Visit the park's Ranger station and learn all about the park. You will be surprised at all the things you can do.

As a family look at the trail map and pick out a hike. Then enjoy! Be safe!

2 Can you find:
 a feather
 animal tracks
 spider web
 something prickly
 a smooth rock
 new growth
 moss

4 Visit the park's Ranger station and learn all about the park. You will be surprised at all the things you can do.

KeeKee's Park Activity Suggester*

- Once you have folded the Activity Suggester, hold it in your hand so someone can see inside to pick one of the four numbers.
- Whatever number they pick, open and close the Activity Suggester alternating that many times. (If they pick 3, open and close 3 times).
- Then show inside again and have them pick another (or the same) number. Then open the number they picked and read the idea inside!

* Also known as a Cootie Catcher or Fortune Teller.
