

Go Somewhere Warm

If your family decides they have had enough of the cold, there are plenty of warm places around the world where you can enjoy fun in the warm sun.

going ice skating is always fun if you live near a frozen pond or lake.

Go Ice Skating

Sometimes, it is too snowy and cold, and the best thing to do is stay inside, watch the snow fall, color, or enjoy reading a book!

Stay Inside

Lie down in the snow and wave your arms and legs on the snow. Get up and see your outline looks like an angel.

Make Snow Angels

Build a snowman. Keekee loves making a snowman, a snow-woman, or a snow-cat! Have fun, and be creative.

After playing outside in the cold, it is always nice to come inside and enjoy a warm cup of hot cocoa, best with marshmallows, and if you like, add a candy cane!

Enjoy Hot Cocoa

Gather up clean snow and top it with flavored syrups. Keekee's favorite is to top snow with maple syrup! Have an adult help make home made syrups with simple syrup and powdered drink mix.

Make Flavored Snow Ice
